AASHTO Innovation Initiative (A.I.I.)
Administrative Resolution
Title: Formalization of Partnership of AASHTO Innovation Initiative (A.I.I.) with Federal Highway Administration Center for Accelerating Innovation

WHEREAS, AASHTO has successfully shared new technology and innovations to assist member departments with the adoption and knowledge transfer on a wide array of highway products and processes aimed at improving the delivery, quality, safety and operations of transportation systems, and

WHEREAS, AASHTO recognizes value in partnering with other agencies and programs which share the common goals of implementation and dissemination of new innovations and technologies, and

WHEREAS, AASHTO and FHWA are seen as valued partners in the implementation of new innovations and identify the need for a formal Memorandum of Understanding (MOU) (that follows this resolution) which details the overarching goals and objectives of the partnership, as well as a financial component aimed at assisting AASHTO members with implementation and outreach efforts as deemed appropriate by the A.I.I. Executive Committee, and

WHEREAS, The A.I.I. Executive Committee endorsed the concept of a formal MOU; and now, therefore, be it

RESOLVED, That SCOH adopt the "Formalization of Partnership of AASHTO Innovation Initiative (A.I.I.) with Federal Highway Administration Center for Accelerating Innovation (FHWA-CAI)," and therefore be it

RESOLVED, That the SCOH support a formal MOU between A.I.I. and FHWA-CAI, as recommended by the A.I.I. Executive Committee; and finally be it

RESOLVED, That this MOU is signed by AASHTO, FHWA-CAI and A.I.I. to confirm this endorsement.

Approved by SCOH on May 25, 2016
