What Does AMRL Do?

Primary vision: to be the center for promoting quality and achievement of excellence in materials testing.

- Laboratory Assessment Program
- Proficiency Sample Program
- AASHTO Accreditation Program
- FWD Calibration Operator Certifications

...research, training, technical support, and more!
AASHTO Accreditation Program
Avoid Costly Duplication

- Employee salaries and benefits
- Office and lab space
- PSP industrial area and warehouse
- Travel and shipping costs
- Network, hardware, and software
While Maintaining Control

• AMRL Administrative Task Group
• SOM approved procedures manual
• State test methods
• Handling “external” complaints
• Tell us what you need
Specifier Tools Help You Monitor Labs

Specifier Laboratory Management

This page allows you to select the laboratories that you would like to monitor, and view pending permissions from laboratories that you have selected.

Monitor List

These are laboratories that you currently monitor.

Count: 14
