TIG AASHTO Technology Implementation Group

AMRL

AASHTOWare™ Transportation Software Solutions
AASHTO in 2013

**President Lewis’ Areas of Emphasis**

- Supporting the implementation and the deployment of new technologies to improve efficiencies and innovation in the transportation system;
- Implementing the reforms included in the 2012 federal surface transportation bill, Moving Ahead for Progress in the 21st Century Act (MAP-21);
- And, leading AASHTO's effort to prepare for the next surface transportation reauthorization bill in 2014.
Thank you!
